DETAILED ACTION

1. Claims 1-10 and 22-26 stand canceled.

Claims 1-10 and 22-26 were canceled by the applicant's representative on reply dated 2/17/04. The status of these claims is not withdrawn as indicated on the claims submitted 8/20/04, but rather "canceled".

Allowable Subject Matter

2. Claims 11-21 are allowed.

(The allowable subject matter previously stated in office action 0504 has been modified to reflect the amendment submitted, i.e. "partly solidified" was changed to --in a flow able-state--

The following is a statement of reasons for the indication of allowable subject matter: Prior arts do not teach or suggest the combination of steps of introducing into the second part of the tool cavity an electrically conductive elastomer that bonds with the electrically non-conductive thermoplastic in the first part of the cavity when thermoplastic is in a flowable-state.
